Hi there! I'm hentai tsunade, and this is my blog. I write about all kinds of stories, most of them moerpigs (my personal favorite)! But my latest story (I think) is my new one called "komik hentai tsunami x jiraiya". It's still in process but it's coming along nicely. If you want to know more about it please read my profile page which tells you pretty much everything about me and the story. Thanks for coming by my page!
